Multimedia Competition 2015 Open Section

A Multi Media Presentation Competition on the Anzac Tradition with emphasis on WW1

These are the rules and terms and conditions for entering The Beechworth Theatre Company's Multimedia Presentation Competition. Please ensure that you read and understand them as failure will result in your entry not being considered.

Definition:

Multimedia: an audio, video, animation, interactive features, and still images in various ways and combinations made possible through the advancement of technology. By combining media and content, those interested in multimedia can take on and work with a variety of media forms to get their content across. Multimedia can be accessed through computers or electronic devices and integrates the various forms together. One example of multimedia would be combining a website with video, audio, or text images.
